FEDERAL DIRECT PLUS LOAN

You are accepting the gross loan amount. These federal student loans have loan fees that are a percentage of the total loan amount. The loan fee is deducted proportionately from each loan disbursement you receive. This means the money you receive will be less than the amount you actually borrow. You're responsible for repaying the entire amount you borrowed and not just the amount you received. For loans first disbursed between 10/1/2018 and 9/30/2019, this fee is 4.248%.

These loans are disbursed in two equal installments. If you request a single-semester loan, the second installment will disburse halfway through your semester.

I request to change my previously-accepted Federal Direct PLUS Loan.
